## CHANGE OF SEASONS

We notice a big difference now from when we were preparing the last newsletter. We went from snowplowing to planting flowerbeds. Richard Stanbury, our Maintenance Supervisor, was snowplowing in March - and now in June, here are two of our Senior Housing residents setting out flowers in one of our many flower beds in the Senior Housing area.

## NEW BROCHURES

Three new brochures are now ready. We have one for each of our primary service levels: Senior Housing, Assisted Living, and Nursing Home. Call Jerry Starling (586-791-2470, extension 1032) to request a copy or copies. This could be a good way to introduce a friend to the Care Center.

## Testimonial

We, the family of FS, want to give you our sincerest thanks for the wonderful care you gave Dad. Your kindness and excellent care went beyond our expectations. Before he got very sick, he was so happy there. So many of you spent special time with him and made him feel like he was home with the family. You all made what was a very difficult time as pleasant as possible. You will always have our prayerful thanks and fond wishes. Sincerely, CB, FS, & EW.

Note: We receive unsolicited testimonials like this one frequently - and just wanted to share this with you.

## SHORT TERM STAY OPTION AT OUR ASSISTED LIVING

Are you providing home care for an aged loved one - and really need to get away for a little while? But you don't know who can look after Mom or Dad? Now we might be able to help you.

We have added the option of coming to our Assisted Living for a short period of time so that care-givers at home can have a "respite" - for a vacation or a period of other intense activity. The minimum stay is 3 days - but you may stay up to 30 days under this program. A private room, furnished, with telephone and cable TV is included along with all the services offered in Assisted Living. If the guest then decides to stay, a transition into our regular program is easily made. Call David Walker (586-791-2470, ext. 2002) for details.

## GET YOUR NEWSLETTER DELIVERED BY E-MAIL

We will have our web-page, [www.churchofchristcarecenter.org](http://www.churchofchristcarecenter.org), up and running soon. One benefit of this is to make it possible for us to offer our newsletter on the Internet. Give us your email address, and we will notify you when a newsletter is available with a link to a viewable, printable version. You can get it more quickly and we can deliver it more economically. Just clip and send the following coupon with your email address and any other changes for how we handle your mail.

### CLEANING UP OUR MAILING LIST

Each time we mail the newsletter, we receive some back for various reasons. People move (and the newsletter is returned to us with a new address), some mail is undeliverable for various reasons, people are just away - or we get some sent back by the addressees who ask for their names to be removed from our mailing lists. We attempt to correct our mail list with this information, but help from you can expedite this. If you expect to move in the near future, please let us have your old and new address. If you simply do not wish to receive this newsletter, we'd appreciate knowing - so we do not waste your time and our effort to get it to you. If you are a "snowbird" we can avoid sending to you at your home address when you are away (in fact, we can send it to your home away from home). With a little help from you, by filling out the following coupon and mailing it to us, we can do a lot to clean up our mail list - thus reducing our costs and making sure you get timely information from us.

### ATTENTION "SNOW-BIRDS" & OTHERS WITH ALTERNATIVE ADDRESSES IN PART OF THE YEAR:

Each time we mail the newsletter, several come back from the Post Office marked "Temporarily Away". Thus, you fail to receive it - and we pay for the return. If you have a fairly consistent pattern of being away from your primary address at predictable times (within broad limits), we can send this newsletter to your alternate address while saving some costs. If you have an alternate address, please help us and yourself by supplying the following:

## **MOTHERS DAY CELEBRATION**

Last month, our activities department had a Mothers' Day Celebration party. It was very well attended, as many families came to honor Mom. The ladies wore fancy hats (and some, not so fancy) as our acknowledgement of the "Red Hat Lady Society." The theme of the day was "Home Is Where You Hang Your Hat."

## Steak & Corn Roast

**ALL ABOARD!** The train is leaving the station for the 18th annual Steak and Corn Roast at the Church of Christ Care Center. Make your reservation for August 27 to arrive before 6:00 PM EDT when you will be greeted warmly and served a fine dinner in our spacious "dining car!" The menu will be USDA choice steaks (or chicken if you prefer - please call ahead so we know how much chicken to prepare). Each will be exquisitely grilled by some of Michigan's finest chefs and accompanied by tender, succulent corn-on-the-cob steamed to perfection in our very own kitchen. Potatoes and slaw round out the main course with a selection of "Good Humor" ice creams as your dessert.

The theme this year is "The Golden Age of the Silver Rails." You are invited to come as an elegant first-class passenger - or a hobo who hopped on for a ride! Of course, boarding without a ticket may send you to the kitchen to wash dishes! Tickets are still only \$75 per person (of which \$60 is tax-deductible).

Entertainment this year is by "The Incredible Mr. Sound Effects," Wes Harrison. When Wes was a little kid, he could say "Choo-choo." When he was a little older, he could make himself sound like the entire train. Merv Griffin says, "I never heard one man so full of sounds. Just impossible!" Mr. Sound Effects uses his talent to give the world LAUGHTER - and that's the best sound of all.

The "Warm-up Act" will feature barbershop quartet singing with our own David Walker in "Singing with Dad," a quartet with 2 father-son combinations. Part of their program will involve audience participation in some of the old railroad songs.

We will have craft tables again this year, with all proceeds going to the Care Center. Autographed baseballs left over from previous years will be available for a suggested \$25 minimum donation. (If you missed any of those from the past, you might be able to complete your set!) If you are interested in reserving a craft table, please call Jerry Starling at 586-285-7132.

You may order tickets at any time by sending a check or through your usual ticket seller in your church.
